WELCOME

INTRODUCTION

“Act as what you do can make a difference. It does.”

William James

Overview

As a valued Florida Association of Collaborative Professionals (FACP) donor, you foster the awareness and growth of Collaborative Practice across Florida and improve our professional capabilities. Here’s a snapshot of what your contributions make possible and how you can continue to partner with us.

Your Impact as a Sponsor

FACP’s sponsors are vital in advancing these initiatives:

- **Annual Conference:** Convene statewide professionals to share knowledge and advance Collaborative Practice.
- **Professional Development:** Offering live and virtual training for legal, financial, and mental health professionals to enhance Collaborative expertise.
- **Community Support:** Establishing and strengthening Collaborative Practice Groups across Florida.
- **Education & Outreach:** We host workshops, publish resources, and use social media to spread awareness about Collaborative Practice.

Our vision is that the Collaborative Law Process is promoted as recognized as the leading and prevailing process of resolving legal disputes in Florida, beginning with family law.

Your sponsorship underscores a commitment to a respectful, cost-effective alternative that puts families first.

Sponsorship Opportunities

We invite you to explore a range of sponsorship levels tailored to your capacity and goals. Our levels are curated to recognize your sponsorship across our digital platforms, including the web, social media, and Conference collaterals. At the higher levels, there are additional exclusive benefits beyond the Conference to showcase your presence among the Collaborative community:

Your Impact as a Sponsor

FACP's sponsors are vital in advancing these initiatives:

- **Grand Partner (\$15,000):** Includes key Conference recognition, and year-round benefits such as featured webinars, special event recognition, and promotional materials.
- **Champion (\$7,500):** This includes prominent Conference recognition and exhibitor status, as well as options to sponsor key events designed to gain premium visibility.
- **Scholar (\$5,000):** Sponsor professional development events and enjoy prominent conference placement.
- **Patron (\$2,500):** Engage with conference recognition and tailored benefits.
- **Collaborator (\$1,600):** Engage with the professional community at the Conference with recognition.

For a full list of benefits, please review the complete table of benefits on the next page.

Why Support Matters

Your partnership sustains a movement that transforms the way families navigate marital transitions. Together, we empower families to shape their futures through thoughtful, collaborative solutions. Your continued generosity and dedication to FACP's mission is the foundation of our success.
